

OFFICE OF QUALITY COMPLIANCE (OQC)

What does the OQC do?

The University of Utah's Office of Quality Compliance (OQC) offers the following services to all researchers and their teams:

- Assist in conducting 3 types of reviews:
 1. Self- Assessments on study and protocol activities
 2. Research Climate Assessment to optimize study team performance
 3. Best Practice reviews, when neededMore information on each review can be found here:
<https://qualitycompliance.research.utah.edu/review.s.php>
- Lead the Research Quality Compliance Network (RQCN), which is a University-wide collaboration of people working in research compliance.

Use the link below to join the network:

<https://qualitycompliance.research.utah.edu/forms/rqc-network-listserv.php>

- Maintain Standard Operating Procedures (SOPs) that include Clinical Research SOPs, OQC-specific SOPs and additional U of U SOPs and policies:
<https://qualitycompliance.research.utah.edu/sop.php>
- Maintain a Research Tool Kit that includes templates such as Adverse Event logs and Delegation of Authority (DOA) logs that teams can use as needed for their studies:
